

Evidence of continued practical competence for Level 3 recertification

Name of the applicant: _____

1. General

All Level 3 certificate holders seeking recertification shall provide appropriate documented evidence, of their continued practical competence in the method or pass the Level 2 practical examination element.

2. Acceptable activities and evidence

Acceptable activities (Documented in a test protocol or test report) are:

- ✓ Perform NDT and interpret and evaluate the results according to applicable standards, codes, specifications or procedures.
- ✓ Review of the implementation of an NDT procedure or NDT instruction.
- ✓ Installation or commissioning of NDT testing equipment
- ✓ Competency or proficiency testing for NDT.
- ✓ Preparation and review of documentation of specimens for practical examinations according to DIN EN ISO 9712 or similar.

Continued practical competence shall be demonstrated by referencing appropriate supporting documents in table on next page and confirmed by a responsible person.

These supporting documents shall be stored in a personnel file by the candidate's company and retained until the next recertification.

SECTOR Cert is particularly authorized to obtain this evidence upon request to verify evidence of continued practical ability in the course of recertification.

The certification body may also recognize or require further evidence. The certification body may require that some or all of the evidence submitted be confirmed by the employer or referee.

Name of the applicant:

Table 1. Evidence of the selected practical activities for the NDT method.

Sequence No.	Brief description of the activity	Date/Duration of activity	Designation of the document	Document No.
Example	Pump housing inspection	20.02.2020	Acceptance test report	GG-40-1297
1				
2				
3				
4				
5				
6				

Notes:

- please use a separate table per NDT method
- for each calendar year, one document shall be provided. The time interval between the individual documents shall not exceed fourteen months.

I hereby certify that the activities listed above were performed independently by the applicant.

Date and signature of the applicant:	Date, name, signature of the referee (required for self-employed):	Date, name, signature of the employer:
